Dear Martin College,

our Cousin Myrtle
Lillian Lewis, who
attended Martin College
for Girls, recently passed
away on April 29, 2014
at age 97.

We would like to
return her "Spinster 1936"
to you for your archives.
She had wonderful
memories of her time
spent at your school.

Yours truly,

TO THE SENIOR CLASS:

Your Alma Mater is looking to you to carry on the fine traditions of this College, and we feel assured this will be to you a sacred trust. So as you go out from us let me say:

“Our hearts, our hopes are
all with thee,

Our hearts, our hopes,
our prayers, our tears,

Our faith triumphant o'er
our tears,

Are all with thee,—all
with thee.”

For each of you my hearty God Speed!

Sincerely,

HISTORY OF THE CLASS OF '36

In the fall of 1934 Martin College welcomed within her portals the largest Junior class in many years. The members of that Junior class, the present Senior Class, embarked upon a journey which shall terminate June 2, 1936. As we near that goal and the shore is already dimly outlined against the western horizon, though our faces are set ever onward, we sometimes yield to the inclination to look backward and review the past two years,—the history of the class of '36.

As Juniors in 1935 the class left a brilliant history. No school activity was initiated in which the Juniors did not take part. In athletics we dominated the floor, producing the majority of the basketball team; some excellent tennis players and champions in all other athletic fields. The music department was not without its Juniors. In the Dramatic Club their work was outstanding. At the annual Stunt Night program the class produced a very original stunt. Many of the important executive offices in the various clubs and organizations were occupied by Juniors.

In May 1935 the Junior class entertained the Senior class with a banquet. Under the expert guidance of Miss E. Huggins our class has never failed to respond to any duty or service it could render for Martin College.

We reunited in the fall of 1935, to form the largest Senior Class in Martin's history. This last year has been much too short, but we have crowded into its busy days much of loyalty, spirited play and hard work. In the two years eight members of our group have been elected to the Phi Theta Kappa honorary society.

The members of the Senior class have truly lived up to the examples for the younger girls in good character, scholarship, in school activity participation and leadership, in cooperation, and loyalty to high ideals.

All has not been smooth sailing, yet we feel stronger for the storms we have braved and the obstacles conquered. It is with joy that we have attained our goal and yet as the last chapter of the book of our Martin College Activities is being lived and written we regret that it must be closed. We do not flatter the class of '36 to say that we have done some things that will go down as outstanding events in the history of our Alma Mater, Martin College.

COMMERCIAL DEPARTMENT

The commercial department is an example of the growing realization of the importance of coupling with a classical education the development of a more concretely utilitarian ability which will aid the graduate in making a practical adjustment to the world in which she is to live.

If the steadily increasing size of the department is any indication of its past success, it is certain that proficiency in the commercial subjects has been found to be a most useful tool in the variety of occupations followed by its former members after graduation, as well as a great aid to the student in the preparation of her academic subjects while in college. The achievements of these students is largely due to the capable supervision of Miss Ella Sudekum, head of the department, and to the excellent equipment at their disposal.

Certificates are given to those who complete a years' work in typing, shorthand, or bookkeeping. Secretarial diplomas are awarded to those who complete the two year secretarial course.

Those receiving the Secretarial Diplomas are: Robbie Birdsong and Virginia Kerr. Certificates for advanced work in Typing and Shorthand will be presented to Anne Clayton, Louise Cunningham, Margurete Daniel, Ruby Mae Falls, Sarah Puryear, Edith Rogers, Agnes Sisk, and Louise Taylor. Stenographic Certificates will be presented to Essie Lee Bailey, Irene Samderson, Anola Gallahor, Norma Gallahor, Louise Gardner, Martha Williams, Lucille Malone, Frances Taylor, Ann English, Jane English and Marie Baird.

 Third Row—M. Harwell, Lester, Largent, Chapmen, Scales.
 Second Row—Ogle, Ingram, Hungerford, Moore, Cox.

MUSIC DEPARTMENT

This year the Music Department has done admirable work and has been responsible for many entertaining programs given at the College, in Pulaski, and in many other towns of Middle Tennessee.

The Music Department has an approximate enrollment of forty. Piano, Voice, and Violin are taught, and courses in Harmony, Music History, Musical Form, and Principles of Musical Education are the additional courses offered to students who are working for college credit, certificates or diplomas.

Mrs. May Foreman Carr is at the head of the Piano and Voice Departments. Miss Teresa Patterson is instructor in Violin. Mrs. Carr is the director of the College Glee Club, Choir, Sextet, and Trio. These organizations have made splendid progress during the year and have presented some exceptionally fine programs.

Six student recitals have been given this year. Those students receiving certificates in the Music Department are: Eleanor Moore, certificates in Voice, and Margaret Cox, certificate in Piano. Martha Gwaltney, accompanist for the Glee Club and other musical organizations, receives her diploma in Piano. Each of these students climax their year's work with a recital.

The Expression Department is under the direction of Mrs. Sinclair Daniel. A splendid course is offered which includes, corrective speech, stage presence, and stage directions.

First Row—Hennessee, Troxler, Hendricks, Ledbetter, Parrot, Burton, Mrs. Smith.
Second Row—Warren, Shelton, Vaughn, Ray, Alexander, Locker.

THE HOME ECONOMICS DEPARTMENT

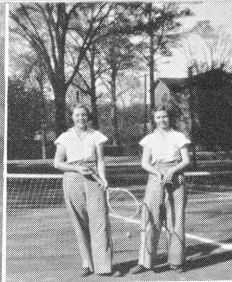

The Home Economics Department of Martin College is one of the strongest departments of the College. There are twenty students who are taking a full course in Home Economics. Of this number there are six—Christine Vaughan, Kathryne Hendricks, Maurine Harlon, Ruth Locker, Virginia Ray and Madelyn Shelton, who will receive certificates.

One of the main projects for the Senior Home Economics class for the year was the supervision of the Tea Room. This is not only a place for the girls to spend their leisure time and extra pennies but it gives the Tea Room girls an opportunity of learning, managing, buying and financing. The profits from the Tea Room were spent to more adequately equip the Home Economics Department. (The Home Economics Department was redecorated last summer).

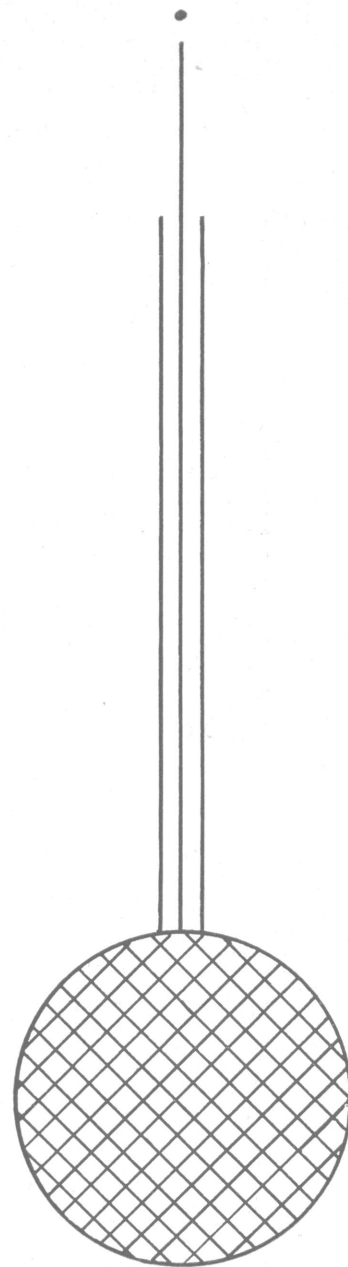

The exhibits, which included designing and rug-making, stressed color and harmony. Construction work included dress construction and child development problems with a display of child helping garments.

The freshman course in Home Economics consists of courses in original designing, construction of self help garments, designed by the Bureau of Home Economics at Washington, child care, house planning and a general course in foods. The senior course consists of original designing and color harmonies, home management, advanced courses in foods, and clothing crafts, and the renovating of dresses.

Under the apt instruction and leadership of Mrs. Walter B. Smith, this department has enlarged its courses and scope of work.

ATHLETICS

BASKETBALL

The outstanding sport on the campus is basketball. Practice was begun the last of October and about forty girls answered the call. About the second week in November Coach Huggins cut the squad to four teams and regular practices were held each day. The season opened on Thanksgiving night when Martin met the Bethel Sextet from McKensie. The gym was packed, the band in all its glory was out to help cheer Martin on to victory.

The strong Salant and Salant team came over to Martin January 9, and when the final whistle sounded Martin had chalked up her second victory. The Carter Shoe Company's Independent team from Nashville came down and much enthusiasm was created over the meeting of the two teams. Martin's defense, however, proved too strong for Carters offense and Martin was again victorious. The following night Martin journeyed over to Lawrenceburg to meet Salant and Salant in their gym. Salants improved teams, made Martin tighten up on their defense, her offense began to click and Martin had soon another game.

Friday, January 17 the bus pulled out for Memphis. We stopped at Savannah, had lunch at Selmer and arrived in Memphis late in the afternoon. Martin was anxious to win second conference victory. She succeeded, after a late start in defeating the Teachers. Early the next morning we crossed the Mississippi River into Arkansas and back on Tennessee soil we left for Ripley. We had lunch there with friends of the College. The trip to McKensie was made through snow. What a game! With three fourths of the team out of the game by way of fouls Martin was glad when the final whistle blew to find her team five points ahead. The next morning, after aid of the entire boys dormitory (thanks to Eleanor and Junia) we got the bus started and we were off. We had lunch at Waverly, stopped in Dickson, Nashville and arrived in Pulaski about eight o'clock, frozen and hungry.

The next game was with Freed Hardeman January 24, Martin won this making the fourth conference victory. At last the game of games had arrived. Martin and Andrew Jackson were both undefeated and the game promised to be a good one. The game was played in Nashville. Everyone was excited, anxious to know just what the outcome would be, at last, Martin 47—A. J. U. 18.

On the night of February 6, the team went over to Henderson to play Freed Hardeman. After all the difficulties however Martin won the game.

February 11, Martin defeated Pat's Place by a huge score. February 14, Memphis Teachers came to Martin for the return game. Martin doubled the score on them this time. Feb. 20 Salant and Salant came to Martin for the third game of the season. Martin was thrice victorious winning by score of 32-22.

Monday Feb. 24 the team in all its glory left for Jackson to enter the Mississippi Valley Tournament. Lambuth and Martin were the two seeded teams both having gone through the season undefeated in the conference. Martin drew a bye for the first round and played Memphis Teachers Tuesday afternoon in a semi-final match. Martin won the right to play in the finals by their victory over Memphis.

Tuesday night Lambuth and Martin met. The Armory was packed to see the two undefeated teams. Martin tasted the first sting of defeat when Lambuth won the cup. Martin was proud of her girls for they played a good game. She placed two girls on All Mississippi Valley Team Garrett at center, Mary Ligon, guard.

BASEBALL

One of the most interesting sports on the campus is baseball. Not only is it an outstanding sport in the fall but in the spring, as well, when the teams really get into action. The baseball diamond is located at the back of Martin Hall and the baseball equipment is complete.

Much interest and enthusiasm was created over the baseball games. The Reds and Whites had two teams each and a series of games were played. The team winning the best three out of five games was given five points, losers three. From the four teams all honorary varsity was selected the names of which are as follows:

Catchers	Dixon
Pitchers	Fel' Dotto, Martha Ligon
First Base	Earls
Second Base	Darwin, Daly
Third Base	Gordon, Sisk
Short Stop	Mary Ligon, Goolsby

REDS

One cannot do her best unless there is some competition when athletics are involved. Consequently one at Martin has every chance to shine if such be the case because there is plenty of competition. Intramural Sports have become quite popular and the keen interest and cooperation that the girls take in these sports is an asset to any physical Educational program.

At the beginning of school an announcement was made for all girls interested in athletics to meet. About fifty girls met and the Intramural Program was explained by Miss Huggins. Captains were elected, Mary Ligon to captain the Reds and Martha Ligon to captain the Whites, and the remaining girls were chosen either as a Red or a White.

Baseball was the first Intramural Contest held. The Reds and Whites each had two teams classed as the A and B teams, but each was given the same number of points on their victory or defeat. A series of games were held, the best three out of five the Red's A team and the White's B team came out victorious. This placed the two sides equal again, each having scored eight points, five for winner and three for loser.

German Kick Ball followed baseball. Likewise teams were chosen however this time only one team represented each side. The Reds won this series of games and the score stood Reds 13 and Whites 11.

Play among the Reds and Whites was not resumed until the close of the basketball season. No player having made the trip to the Tournament held in Jackson whether Red or White was entitled to participate in these games. Two teams were chosen from each side. The Red A team won while the White B team again showed superior strength and they chalked up their second victory. The score at the close of these games showed Reds leading with 21 points and Whites close behind with 19 points.

WHITES

Volley Ball was the next sport that the two sides engaged in. Two teams were chosen for these games also. The whites staged a rally and won both the A and B game putting them out in front with score of 29—Reds 27.

Soccer followed baseball. Not being accustomed to the game, many sore shins, sprained toes resulted from the practice. Play however was soon begun. The Reds won the series of games and the score stood tied Reds 32—Whites 32.

Tennis the final sport of the year and perhaps the most interesting because of the fact that most everyone could participate. A ladder tournament was held exclusively for the Reds and Whites. The first ten on the ladder were to win points for her respective side. Each side selected eight girls to represent them in the tournament. The top player was to receive ten points, the second nine and on down through the tenth player. The scores for these were Reds 35, Whites 20.

Thus with the Intramural program successfully closed and the Reds declared the winners, the Whites will entertain the winners, and not only will the thrill of victory be enjoyed but also the fun of losing and being able to be a good loser as well as a good winner. Throughout the entire year the spirit of this principle has prevailed and whether we win or lose is not our goal but rather how we have played the game.

The keen opposition that has accompanied each contest has been noteworthy and the fun, the knocks and the bumps that we have taken, and the spirit of it all will always be remembered as one grand and glorious year together on the athletic field of Martin College.

TENNIS

At Martin when Spring comes the young girls hearts time. Winter is hardly over before everyone is trying to get Lawson to roll, and line off the courts. When the courts are put in shape they are crowded every moment, each girl anxious to have her turn. Sore arms, tired muscles and blistered hands follow. Play continued for a few weeks and the ladder doubles tournament was begun. Twenty-one teams entered. The top nine teams were then entered in the elimination tournament. These teams were as follows:

Darwin and Hinson, Fel' Dotto and Lester, Ligon and Ligon, Earls and Fentress, Gordon and Cunningham, Abernathy and Rogers, Williams and Murray, Daly and Davis, and English and English. Four of the teams—Darwin and Hinson, Ligon and Ligon, Earls and Fentress, and Fel' Dotto and Lester were seeded. Drawings were made and play was begun.

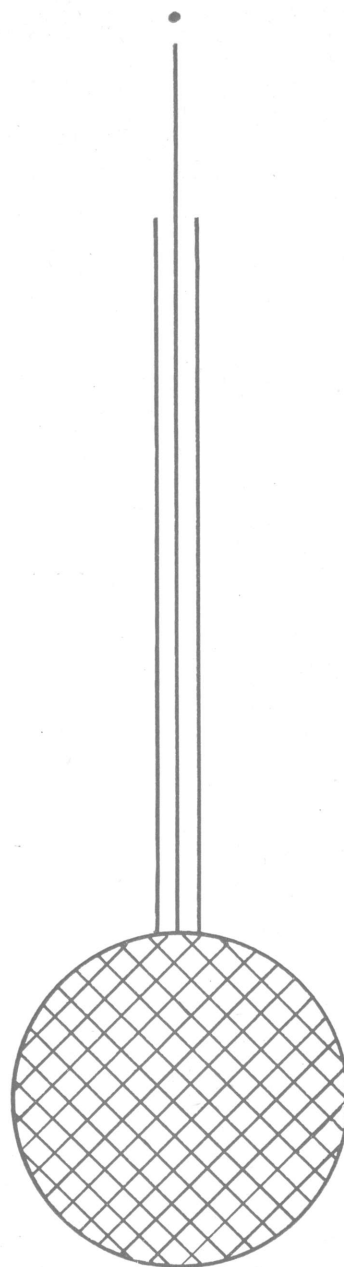

The champions cannot be announced but the four seeded teams advanced to the semi-final rounds.

Singles championship was conducted in the same manner, the first sixteen in the ladder were entered in an elimination tournament.

A tennis team composed of four members is to be chosen and plans are being made for them to participate in the Mississippi Valley Conference Tournament which is to be held at David Lipscomb College in Nashville during the latter part of May.

Coach Huggins is on the court at all times always willing and ready to aid any girl in improving her game.

THE STUDENT COUNCIL

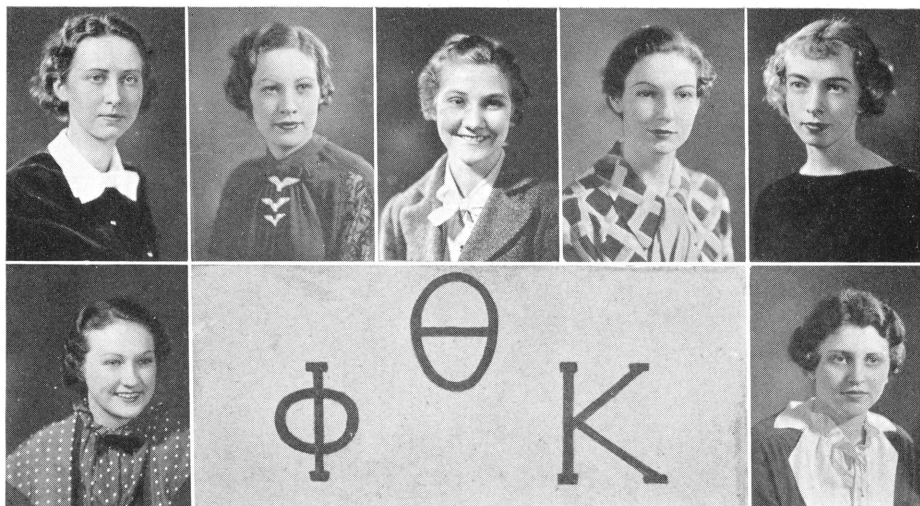

OFFICERS

Kathryne Hendricks	President
Gladys Tate	Vice President
Eleanor Moore	Secretary
Emily Abernathy	Day Student Representative
Floy Goolsby	House President of Martin Hall
Sara Ruth Hammond	House President of Tennessee Hall
Jane Wilson	Senior College Class Representative
Dorothy Fentress	Junior College Class Representative
Pauline Goad	High School Representative
Dean Mary E. Meade	Faculty Advisor

Upon entering Martin College each student automatically becomes a member of the Student Government Association, an organization which is under the leadership of the Student Council. The purpose of this organization is to promote the highest ideals of personal honor and responsibility for which this institution stands and to provide for the common good and welfare of each member of the association.

This year the council has been actively engaged in encouraging the students to keep their rooms orderly. In cooperation with the city of Pulaski in a better home drive, the Student Council fostered a similar drive among the students in preparing them to keep better homes later.

Martin is rightfully proud of its ability to give each of its students the opportunity for self-reliance and personal responsibility which student government affords. Its aim has been to develop the highest standards of honor in every phase of college life. The loyalty and cooperation on the part of the student body have made this term of 1935-36 an extremely successful one. The retiring council sincerely hopes that the Student Councils of the future may have such a loyal student body.

Due to the efforts of the late Miss Moss and Miss Puckett the Alpha Omega chapter of the Phi Theta Kappa society was established in 1931. Since its establishment thirty-nine members have been elected. Miss Meade has been its sponsor for the past four years.

The Phi Theta Kappa Society is a Junior College Honorary Society, whose aim is to promote scholarship, to develop character, and to cultivate fellowship among the students of the junior colleges of the United States.

Students ranking high in scholastic work, possessing qualities of good citizenship and moral character are eligible for membership in the society.

The Y. W. C. A. has for its purpose the ideal of creating and maintaining throughout the whole school the highest standards of true Christianity. The Vesper services which are held every Tuesday night are the best means toward obtaining this ideal.

The activities of the Y. W. C. A. included a Get-Acquainted Party, an outing at Holt's Lake, a recognition service, a tea for the new members, a Hallowe'en Carnival, the annual Stunt Night, the proceeds of which were used for the Christmas tree given for the negro children of Pulaski, a Manless Valentine Dance, a luncheon, a sunrise breakfast on Palm Sunday, and an Easter egg hunt.

THE BOOSTERS CLUB

OFFICERS

Louise Cunningham	President
Eleanor Moore	Vice President
Frances Taylor	Secretary
Mrs. Daniel	Sponsor

The Boosters Club was organized in the fall of 1935 for the purpose of boosting Martin College and aiding in any way possible toward the up-building of the various activities of the school. The main object of the club has been to entertain the visitors on the campus who participate in the various athletic contests.

The Boosters Club was active during the basketball season. Before each game provisions were made for entertaining the visiting team; supper was served to both our own team and the visiting team. After the game both teams were always served refreshments prepared by the members of the Boosters Club.

It is the aim of every member of our organization to see that each of our guests receives a warm welcome, so that a visit to our school will always be keenly anticipated.

FINE ARTS CLUB

OFFICERS

Eleanor Moore	President
Katherine Alexander	Vice President
Marguerite Warren	Secretary and Treasurer
Mrs. M. F. Carr	Sponsor

The Fine Arts Club of Martin College is one of the cultural clubs of the school. It was organized to promote confidence and poise in the performers and to stimulate their interest in musical current events. Each member is required to appear in one or more performances during the year. The club meets every two weeks on Wednesday evening from five to six o'clock. A social hour is enjoyed after each meeting.

The club plans to sponsor an out of town artist in the Spring Recital for the benefit of establishing a fine arts fund for musical equipment for the school. Since this is the first year that there has been a Fine Arts Club in Martin College the organization was not able to accomplish as much as it had planned. It is hoped, however, that a foundation has been laid upon which it will be easy for the clubs of the future to build. In view of this, the Fine Arts Club of 1936 believes that it has been successful.

TRAMPS

OFFICERS

Madelyn Shelton	President
Mary Ligon	Vice President
Martha Ligon	Secretary and Treasurer
Miss Huggins	Sponsor

On Saturday afternoons, when forty or fifty girls file out of the dormitories, clad in boots and breeches, jodpurs and slacks, everyone knows that the Tramps are leaving on another one of their grand hikes. The hikes usually extend over a distance of some five miles. This year we have taken hikes to Pigeon Roost, Hick's Cut, Fort Hill and Pond Hill.

Perhaps the most enjoyable hike made was the overnight hike that eighteen of the Tramps took six miles out to the Lee Farm. We cooked our supper on the banks of the creek, and then made preparation to sleep in the barn on the new mown hay. Up to the loft the Tramps scrambled, each seeking a soft spot on which to lay their weary heads. Six o'clock the next morning found eighteen girls, after a sleepless night, trying to fry bacon. We started back to school and arrived in time to attend the "Study Hall."

Can't you just taste those juicy steaks, and those hot pork and beans? Don't forget the pickle, onions, cookies and fruit, and last, but not least, "good coffee."

This year the Tramps had the largest enrollment of any club—not only was it the most active but perhaps the most enjoyable. The outings together have meant a great deal to each of us, and we feel that each will deeply cherish the memories of our associations together as members of the Tramps.

THE DRAMATIC CLUB

OFFICERS

Mary Ligon	President
Ann Hinson	Vice President
Jane Wilson	Secretary
Mary E. DePriest	Treasurer
Mrs. Sinclair Daniel	Sponsor

The Dramatic Club had completed one of the most successful years in its history. All members have shown intense interest in all phases of the Club work, which includes not only participation in dramatic productions, but also lectures and laboratory work in "Stage Directing," "Costuming," "Stage Make up," and "Stage and Sound Effects."

This course in Dramatic Art has been planned with the view to give to the girl a practical idea of play production, and the technique involved, so that she may more successfully and capably participate in dramatic activities; and serve in the capacity of director when the opportunity arises.

Outstanding among this season's productions are the following: "Abbou San of Old Japan" a Japanese drama presented in Japanese style.

The Dramatic Club stunt for the Annual Stunt Night program was a very unique dramatized representation of famous characters of literature.

Members of the club took part in the Christmas pageant.

The most outstanding play staged this season was "The Ghost Parade." It was superbly cast, the credit for which goes to our sponsor, Mrs. Daniel, through whose untiring effort and understanding we hope to become more efficient in the Dramatic Arts.

3rd row—Fentress, F. Taylor, Harmon, Shelton, Darwin, Mary Ligon, Keaton, Hinson, L. Taylor, Hammond, Speak.

2nd row—Fel' Dotto, May, Mallory, Nation, Hines, Wilson, Daniel, Cunningham.

Bottom row—DePriest, Miss Meade, Vaughn, Ray, Goolsby, Hendricks, Earls, Lane, Cox, Moore, Dowlen, Mart Ligon.

HOBBY CLUB

OFFICERS

Jane Wilson	President
Dorothy Fentress	Vice President
Christine Lane	Secretary and Treasurer
Miss Mary E. Meade	Sponsor

The purpose of the Hobby Club, contrary to the aim of most organizations, is play. Each member attends the club meetings for the sole purpose of enjoying herself.

Every Saturday evening in the Hobby Club room, which is located on the third floor of Martin Hall, the Hobby Clubbers draw up a chair or a stool and knit, crochet, read, or write to their heart's content. Heaps of scraps gradually become rugs, and nail kegs become comfortable stools under the magic touch of the girls armed with crochet hooks, needles, thread, hammers, and tacks. At each meeting, two members are joint hostesses.

The Hobby Club members decorated a "Ship of State" for the Armistice Day Parade, but it rained so the work was to no avail.

The club stunt this year was an Amateur Hour with "President" Wilson as Master of Ceremonies. The Hobby Club also made and contributed beautiful table decorations for the dining room at Christmas.

All in all we consider this the fourth year in the history of the Hobby Club, a very successful and enjoyable year.

6th row—Shelton, Mallory, Speak, Gordon, Fel' Dotto.
 5th row—Ray, Alexander, Cox, Hammond, Lester, Williamson.
 4th row—Bailey, M. Warren, Moore, McGregor, Goolsby.

 1st row—Gwaltney, Carr.

GLEE CLUB

The Martin College Glee Club comprising of twenty-six voices is prominent in the activities of the college and holds an important place in the community and throughout the middle portion of Tennessee. The club has achieved unusual success this year, having mastered some of the most difficult as well as beautiful numbers in vocal repertoire.

They opened the season after a brief two weeks rehearsal with a concert at the West End Methodist Church, Nashville where they and their director received an ovation for their splendid program. They also furnished music for the local churches including the annual Methodist Conference which was held in the First Methodist church of Pulaski, and recently gave a most excellent concert at the First Presbyterian church of this city. Many trips were made to nearby towns including Lawrenceburg, Fayetteville, Petersburg, Waynesboro, Savannah, Columbia and others. Successful broadcasts were made over W. L. A. C. and W. S. M., Nashville.

Besides the Martin College Glee Club, three other musical organizations have aided and abetted all of the musical programs given throughout the year. The College Choir consisting of twelve selected voices rehearse daily and prepare some of the more difficult choral numbers revealing a high point of artistry in their productions.

Back row—Cox, Harmon, M. Warren, Mallory, Gordon, Speak, Moore, Williamson.

Front row—Gwaltney, Lane, Carr, Ingram, Hinson, Mrs. Carr.

CHOIR

As director, Mrs. Carr has brought to these organizations an unusual fund of experience. She has served as organist and director of Church Choirs in Alton, Ill., Chicago; Evanston, Ill., Minneapolis; Kirksville, Mo.; Des Moines, Iowa; Salina, Kansas; and Pampa, Texas, and she has appeared in concerts with many artists of international reputation, including Marie Zidenius Zendt of the Chicago Opera Company, Herbert Gould of the Metropolitan Opera, Pliradie Wells, also of the Metropolitan Opera, Eugene Dressler of Chicago; the late Arthur Middleton, Rollin Pease, and others.

The Glee Club has taken an active part in the programs on the campus. The annual stunt night they presented a beautifully arranged musical program. They presented a lovely cantata at the Christmas Pageant, assisted by a few voices from Pulaski. At the May Day Festival the choir acted as flower girls and their songs were an inspiration to everyone.

The musical organizations have been most active this year. They were graciously received on each appearance and their programs were excellent.

Mrs. Carr has been ably assisted at the piano by Miss Martha Gwaltney of Gordonsville, she receives her diploma in piano this spring.

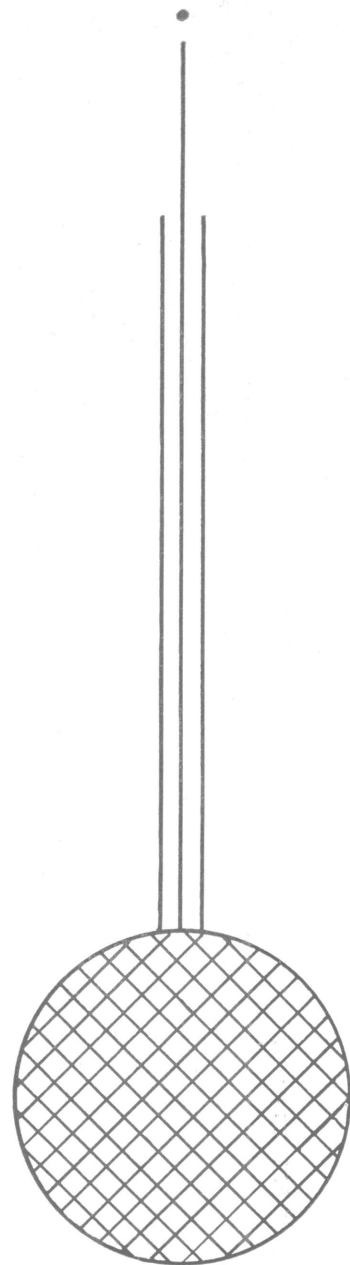

THE DRILL TEAM

Martin is justly proud of the drill team. The squad is made up of thirty-four girls and is led by the cheer leader, Jane Wilson. Miss Wilson was ably assisted by Helen Thompson, co-cheer leader, and Doris Mason, accompanist. During the basketball games the team formed an excellent cheering section which kept the basketball team as well as the spectators in fine spirits. During the half period the drill team marched on to the floor, fell into various formations and concluded the drill by formation of a large letter representing the initial of the visiting teams. Then the squad formed a large M and everyone joined in singing Martins' Alma Mater. The team is made up of girls from the different gym classes and under direct supervision of Miss Huggins. The girls were always dressed in Red and White, the school colors, and they presented a very attractive picture on the floor. For their untiring efforts, for their fine spirit and cooperation, Martin is grateful. Much credit is due the drill team and the entire school is proud of their excellent work.

The following members made up the team:
